A Report Summary on International Conference on
Smart Generation Computing, Communication and Networking
(SMART GENCON 2022)

The International Conference on Smart Generation Computing, Communication and Networking (SMART GENCON 2022) held on 23rd December 2022 at Ghousia College of Engineering Ramanagara, brought together 300 participants from various 28 countries like China, USA, UK, Singapore, Malaysia, Sri Lanka, Philippines, Australia, India and many more countries. This was a Three-Days International Conference organized by the Ghousia College of Engineering in Hybrid mode and was technically Co-sponsored by IEEE Bangalore Section.

The conference was started with the Invocation (Qirath) by Mr. Mohammed Ovais Ansari (Structural Engineer). Dr. Md Zahed Ansari, Principal & General Chair, welcomed and briefed about the conference to the audience highlighting that such conferences provide a common platform for technocrats, scientist, academia and research scholars to discuss and share ingenious ideas, technical expertise, research finding related science and technological field. The chief guest Mr. Munir Mohammed, Sr. Programme Manager, IEEE Bangalore Section addressed the audience by improvising the need of a conference in shaping research practices. Mr. Umar Ismail Khan, Hon. Secretary, GIET, Bangalore, delivered the presidential address calling attention to the fact that technology plays a vital role in today's world. He also insisted that constant updating of technical knowledge in new research areas is necessary for the academic growth of oneself.

The conference souvenir was released by Chief guest Mr. Munir Mohammed, Sr. Programme Manager, IEEE Bangalore Section and all the dignitaries on the dice. The Hon. Secretary, GIET, Bangalore, Mr. Umar Ismail Khan Honors the chief guest with a token of appreciation in the form of a memento. On behalf of the Ghousia College of engineering & SMAERT GENCON team, Professor Mohammad Elahi, Convener & IEE branch counsellor, delivered vote of thanks.

The special session started with the keynote address of Mr. Suman De, Product manager, SAP Labs India Pvt. Ltd., & Researcher, IIT Kharagpur. He delivered a talk on "Disruptive Technologies and their Importance to Research in Cloud ERP". He insisted that today's youth should inculcate creative ideas and aim to become entrepreneurs.

2. National Conference On Innovation in Engineering and Technology (NCIET-2022)
30th July 2022 **Organized by** *Ghousia College of Engineering, Ramanagara*
